

viaggio

giardini e paesaggi della Toscana **the gardens and landscapes of Tuscany**

Your stay will be in viaggio's private villa VILLA CONTRONI located just outside the walled city of Lucca. Highlights of your vacation will include the private villa gardens of Lucca - a stroll along the walls of Lucca with visits to Palazzo Pfanner and the botanical gardens. The village of Pinocchio, Collodi is where we visit Villa Grazioni. Early rises will experience the flowers markets and we will visit a number of nurseries including Oscar Tintori one of the largest suppliers of citrus trees in Italy. Within the Florentine countryside we will have the opportunity to visit the gardens of Villa Gamberaia located in Settignano and a visit to Impruneta will give you a first hand experience of the art of creating the terra-cotta pots. Pisa is the home to the oldest botanical gardens in Europe and no visit to Lucca is complete without taking in the Carrara Marble mines and studios where they master craftsmen create amazing garden statues and ornaments.
